Remarks

Nestled on 3 private acres and set approximately 200 feet off Hadley Road, this custom built ranch home offers the perfect blend of privacy, quality craftsmanship and convenience—just minutes from downtown Clarkston and I-75. Built in 2006 and offering nearly 2,000 square feet of thoughtfully designed living space, this is far from your average home. Quality features are evident throughout, including stunning Brazilian cherry hardwood floors, soaring 10-foot ceilings, wood casement windows, rich cherry cabinetry, geo-thermal heating and a relaxing three-season room overlooking the peaceful surroundings. While beautifully maintained, the home also offers opportunities to personalize and make it your own. The expansive unfinished daylight basement features 9-foot ceilings and is already plumbed for a future bathroom, providing exceptional potential for additional living space, a home theatre, fitness area or guest suite. An attached 2 1/2 car garage provides ample room for vehicles, storage and hobbies. Surrounded by mature trees and open space, the property offers the peace and privacy of country living while remaining just minutes from shopping, dining, parks and expressway access. If you've been searching for a home that combines privacy, quality construction and room to grow
